BID DATE & TIME: August 24, 2023 – 1:00 PM

OWNER: Hampton Shaler Water Authority

CONTRACT NO.: 2023-01 REBID

PROJECT NAME: 24" Transmission Main

ENGINEER'S ESTIMATE: \$875,000

PROJECT DESCRIPTION: The Work under Contract No. 2023-01 generally consists of construction of approximately 300 lineal feet of 24-inch diameter ductile iron water main and appurtenances via open cut, and approximately 334 lineal feet of 24-inch diameter fusible PVC water main and appurtenances via horizontal directional drilling. Work shall also include the installation of drilled rock anchors and thrust blocking where indicated on the Contract Drawings. The OWNER will supply the 24-inch ductile iron pipe and 1 EA 24-inch butterfly valve for installation by the CONTRACTOR. The OWNER will furnish and install the surge relief vault. The CONTRACTOR shall furnish and install all other materials.
